

Dear Parent/Grandparent:

Welcome to Island View Golf Club's Junior Golf 2019. After a successful 2018 season, we are again giving boys and girls an opportunity to participate in the Island View Junior Golf program. The following information identifies the procedures for registration as established by the IVGC Board of Directors.

- Use the application accompanying this letter.
- According to the policy established by the IVGC Board, children of IVGC members will have priority for registration and acceptance until March 1st, 2019. Grandchildren of members are granted the privilege of the same registration period and will be registered after the members' children. Grandchildren are not considered members unless the grandparents are the permanent guardians of the child. Non-member applications will be processed beginning March 1st. All applications arriving after March 1st (whether member, grandparent, or non-member) will be processed in the order they are received.
- Applications close April 1, 2019. Absolutely no applications will be accepted after April 1, 2019 due to scheduling constraints and the number of participants. **If the program registration reaches 110 at any time prior to April 1, 2019, registration will be closed. Any application received after the closing will be returned to the sender.**
- The program will be limited to 110 golfers. Please consider carefully before registering your child. If they will be absent much of the time or there is doubt they will participate, do not register. Please allow another child the opportunity to participate if this is the case.
- The success of the program depends a great deal on adult volunteers. You are required to contribute two mornings of participation per child during the Junior Golf season (one child = two mornings, 2 children = 4 mornings etc.) On the enclosed registration form you will find the dates of the 2019 program. Please check your calendar and make requests for your volunteer dates. We will make every attempt to accommodate your requested dates. It is your responsibility to provide an adult substitute if you are not able to personally attend. If this obligation is not met, your child will be dropped from the program and future participation is in jeopardy.
- The format will be the same as last year with emphasis on lessons, while each child will also play a few holes on the golf course each week.
- In May, you will receive a confirmation of your registration, including your child's grouping and your volunteer dates. This will also include volunteer guidelines and rules for the junior golf participants.
- **Please register early to assure your Junior Golfer a spot in this year's program.**
