

Dear Parent/ Grandparent:

We are excited for another year of Junior Golf. The information below outlines the registration process:

- Complete the application below and mail along with a check to register your Jr. Golfer.
- Children of IVGC members will have priority for registration and acceptance until March 1<sup>st</sup> of this year. Grandchildren of members are granted the privilege of the same registration period and will be registered after the member's children. Grandchildren are not considered members unless the grandparents are the permanent guardians of the child. Non-member applications will be processed beginning March 1<sup>st</sup>. All applications arriving after March 1<sup>st</sup> (whether member, grandparent, or non-member) will be processed in the order they are received.
- Applications close April 1<sup>st</sup>. Absolutely no applications will be accepted after April 1<sup>st</sup>, due to scheduling constraints and the number of participants. If the program registration reaches 110 at any time prior to April 1<sup>st</sup>, registration will be closed. Any application received after the closing will be notified by phone call or e-mail.
- The program will be limited to 110 golfers.
- The success of the program depends a great deal on adult volunteers. You are required to contribute two mornings of participation per child during the Junior Golf season (one child = two mornings, two children = four mornings, etc). On the enclosed registration form you will find the dates of the program. Please check your calendar and make requests for your volunteer dates. We will make every attempt to accommodate your requested dates. It is your responsibility to provide an adult substitute if you are not able to personally attend. If this obligation is not met, your child may be dropped from the program.
- In May, you will receive a confirmation e-mail of your registration, including your child's grouping and your volunteer dates. This will also include volunteer guidelines and rules for the junior golf participants.
- **Please register early to assure your Junior Golfer a spot in this year's program.**

I truly look forward to working with your junior golfers in developing their skills and to continue to promote their love of the game!
