

Dear Parent/Grandparent:

We are excited for a brand-new junior golf program featuring Operation36! Please see the registration process below:

Complete the application below and mail along with a check to register your Jr. Golfer.

Children of IVGC members will have priority for registration and acceptance until March 1<sup>st</sup> of this year.

Grandchildren of members and children of potential members on the waitlist are granted the privilege of the same registration period and will be registered after the member's children. Grandchildren are not considered members unless the grandparents are the permanent guardians of the child. Non-member applications will be processed beginning March 1<sup>st</sup>. All applications arriving after March 1<sup>st</sup> (whether member, grandparent, or non-member) will be processed in the order they are received.

Applications close April 1<sup>st</sup>. Absolutely no applications will be accepted after April 1<sup>st</sup>, due to scheduling constraints and the number of participants. If the program registration reaches 72 at any time prior to April 1<sup>st</sup>, registration will be closed. Any application received after the closing will be notified by phone call or e-mail.

The program will be limited to 72 golfers.

The success of the program depends a great deal on adult volunteers. You are required to contribute two mornings of participation per child during the Junior Golf season (one child = two mornings, two children = four mornings, etc.). On the enclosed registration form you will find the dates of the program. Please check your calendar and make requests for your volunteer dates. We will make every attempt to accommodate your requested dates. It is your responsibility to provide an adult substitute if you are not able to personally attend. If this obligation is not met, your child may be dropped from the program.

In May, you will receive a confirmation e-mail of your registration, including your child's grouping and your volunteer dates. The email will also include instructions to get set up on the Operation36 app. All golfers will need to create a profile to view the curriculum, learn new drills, and track progress.

To ensure your golfer is developing as planned through the Operation36 model, golfers will be grouped weekly by level. Pairing requests will not be taken. **For more information on Operation36, see the material following the registration page.**

**Please register early to assure your Junior Golfer a spot in this year's program.**

We truly look forward to giving your junior golfer the tools and experience to enjoy the game of golf!

## OPERATION 36<sup>®</sup> GOLF

Enroll your junior in the academy and track their progress with the Op 36 app!

Coaches can communicate with you about your junior's progress, help set goals, and give you the tools to guide them outside of class.

Check the app for important announcements!

## Juniors deserve a better way to learn to play golf!

Most junior programs are incomplete. That is why the Island View Junior Academy uses the Operation 36<sup>®</sup> Development Model which centers around playing golf. The goal is to help your junior shoot par (36) or better for 9 holes.

### STEP ONE: Play Their First 9 Holes

Coaches will provide your junior with a 9 hole playing experience with the Op 36 Model.

### STEP TWO: Learn Skills in Fun Classes

We make learning the game feel like a game! Your junior will make friends and learn skills in fun engaging classes.

### STEP THREE: Train & Track Progress

The Op 36 Mobile App is your families guide to practicing and playing golf outside of classes.

## Learning to Play Golf with OPERATION 36<sup>®</sup> GOLF

  
**JUNIOR DEVELOPMENT MODEL**

  
**GAMIFIED (FUN) CURRICULUM**

  
**TECH DESIGNED FOR FAMILIES**

At Island View Golf Club we believe that every golf program should be centered around playing golf and making it fun to track progress over time. This is why our facility is excited to be a licensed Operation 36<sup>®</sup> facility. We leverage the Op 36 Development Model (see below) and technology to make it fun for our golfers to improve their skills.

### Mastering the Operation 36 Model:

**Golfers Play 9 Holes From Division 1 (25 Yards)**  
Instead of starting at the full tee box, all golfers begin in Division 1 and will play 9 holes starting 25 yards from each green.

**Shoot par (36) or better to pass Division**  
When they shoot par (36) or better, the golfer progresses to Division 2, where they start 50 yards from each green.

**Complete the Division 10 challenge**  
This challenge continues until the golfer can shoot par (36) from all 10 divisions!
