## WHAT IS PGA JUNIOR LEAGUE?

PGA Junior League is a team-based youth golf league for boys and girls ages 8-13 designed to introduce kids to competitive golf in a fun, low-pressure environment. Teamwork is the heart and soul of PGA Jr. League. Kids play on teams in a scramble match play format and wear numbered jerseys, supporting and learning from one another to develop skills that translate on and off the course. They develop golf skills, learn to compete and enjoy the game through team play rather than individual stroke-play pressure.
